

COMFORT CLEAN

SKIN WASH
FOR LIGHT SOILING
CAN BE USED AS BODY WASH

Description:

- Body wash suitable for body, face and hair
- With a pleasant and fresh fragrance
- With high-quality natural moisturizers
- Free of silicones, solvents and soap
- pH adapted to the skin
- Dermatologically tested

Application area:

Mild and skin friendly body wash for gentle cleansing of body, face and hair.
For light soiling in hotels, administration and office areas.

Application / dose:

Apply approximately 2-3 ml Comfort Clean to the dry skin, rub intensively and continue to wash with a small amount of water. Rinse skin with enough water and dry completely to avoid chapping of the skin.

Skin care and the repeated use of skin protection are important and binding components of skin protection plans.

Restrictions in use:

The application to mucous membranes / conjunctiva of the eyes is absolutely to avoid.

Benefits for the user:

- Basic cleansing agent for the personal hygiene
- Skin friendly formula
- Modern surfactant combination with sugar surfactant and care components
- Suitable for cleansing bodies, faces and hair
- Free of parabenes
- pH adapted to the skin

Product quality:

The production takes place in accordance with the EU cosmetics regulation No. 1223/2009 and under GMP (Good Manufacturing Practice) conditions.

First aid:

If the product accidentally comes into contact with eyes rinse carefully with plenty of water (eye wash). If you feel any irritation afterwards please consult a doctor.

Storage instructions:

Comfort Clean can be stored in closed containers at least for 30 months at a temperature of 5-25 °C. After opening, Comfort Clean is durable for 12 months. Do not store at temperatures over 25 °C or exposed to the sun.

Regulations:

Comfort Clean does not fall under the detergents regulation, transport regulations according to the dangerous goods regulation or the ordinance on hazardous substances.

Comfort Clean belongs according to the workplace ordinance as a hygienic body cleansing agent to the equipment of sanitary areas and has to be provided free of charge by the employer.

Safety data sheet available on request.
