

PRECO FOAM

SKIN CLEANSING FOAM

FOR LIGHT SOILING

MILD SKIN WASH

Description:

- Free of silicones, solvents and soap
- Free of scrubbing agents
- Free of colouring agents
- Free of perfumes
- Dermatologically tested
- pH adapted to the skin

Application area:

Preo Foam is generally used for hygienic skin cleansing for light soiling in administration areas.

Application / dose:

Apply approximately Preco Foam to the dry skin, rub intensively and continue to wash with a small amount of water. Rinse skin with enough water and dry completely to avoid chapping of the skin.

Skin care and the repeated use of skin protection are important and binding components of skin protection plans.

Restrictions in use:

The application to mucous membranes / conjunctiva of the eyes is absolutely to avoid.

Benefits for the user:

- Skin friendly formula
- Modern surfactant combination
- With plant-based components
- Economical in consumption
- With preservatives for food
- Free of perfumes and colouring agents

Product quality:

The production takes place in accordance with the EU cosmetics regulation No. 1223/2009 and under GMP (Good Manufacturing Practice) conditions.

First aid:

If the product accidentally comes into contact with eyes rinse carefully with plenty of water (eye wash). If you feel any irritation afterwards please consult a doctor.

Storage instructions:

Preco Foam can be stored in closed containers at least for 30 months at a temperature of 5-25 °C. After opening, Preco Foam is durable for 12 months. Do not store at temperatures over 25 °C or exposed to the sun.

Regulations:

Preco Foam does not fall under the detergents regulation, transport regulations according to the dangerous goods regulation or the ordinance on hazardous substances.

Preco Foam belongs according to the workplace ordinance as a hygienic hand cleansing agent to the equipment of sanitary areas and has to be provided free of charge by the employer.

Safety data sheet available on request.
