

BALANCER

SKIN CARE CREAM

MOISTURIZING

WITH UREA AND GLYCERINE

Description:

- Moisturizing
- Pleasant skin feeling
- Non-greasy
- Quickly absorbed
- Free of silicones

Application area:

Light and quickly absorbed basic care cream with urea and glycerine as moisturizing components. Panthenol supports the regeneration of the skin.

Application / dose:

Apply the cream carefully to the washed and dry skin of the hands.

Skin care and the repeated use of skin protection are important and binding components of skin protection plans.

Restrictions in use:

The application to mucous membranes / conjunctiva of the eyes is absolutely to avoid.

Benefits for the user:

- Free of silicones
- Skin friendly
- With urea, glycerine and panthenol

Product quality:

The production and labelling take place according to the current European regulations, the Cosmetics Regulation and under GMP (Good Manufacturing Practice) conditions.

First aid:

If the product accidentally comes into contact with eyes rinse carefully with plenty of water (eye wash). If you feel any irritation afterwards please consult a doctor.

Storage instructions:

Balancer can be stored in closed containers at least for 30 months at a temperature of 5-25 °C. After opening Balancer is durable for 12 months. Do not store at temperatures over 25 °C or exposed to the sun.

Regulations:

Balancer does not fall under the detergents regulation, transport regulations according to the dangerous goods regulation or the ordinance on hazardous substances.

Balancer belongs according to the workplace ordinance as skin care product to the equipment of sanitary areas and has to be provided free of charge by the employer.
