Description:

- Mildly scented
- High re-lipidating effects (W/O).
- Ensures long lasting moisturizing of the skin and keeps it flexible
- Can easily be applied to the skin and is absorbed quickly
- Contains vitamine E as a precous protecting and caring component
- Free of silicones

Application area:

Lipo Balancer nurtures the stressed skin after work. It cares through its re-lipidating effects, especially after working with degreasing and dehydrating chemical agents, solvents, detergents, after frequent washing of the hands, while working in dry and cold winter air etc.

Skin care and the repeated use of skin protection are important and binding components of skin protection plans.

Application / dose:

After work rub a hazelnut-sized amount (0.5-1 ml) of Lipo Balancer carefully into your clean and dry skin. It is important to also rub the cream into the skin between the fingers and into the nail beds. Economical in consumption because of the low quantity of cream required. The caring period is generally limited. Therefor the cream should be reapplied regularly and daily to improve the structure of the skin noticeable.

Restrictions in use:

Lipo Balancer is a skin caring product for healthy and predamaged skin. For the treatment of active skin diseases a doctor should be consulted.
