

## AZIL

**HEAVY-DUTY DETERGENT**

**GENTLE TO MATERIALS**

**SUITED FOR ALL TYPES OF WASHING  
MACHINES**

### Description:

- Concentrated washing powder
- Removes even stubborn soiling
- With a fresh, pleasant scent
- Maintains the wash with special fibre protection
- Highly concentrated
- Guarantees longer value preservation
- Also excellently suited for short washes

### Application area:

For washing textiles up to 90 °C while being gentle to materials. Suited for all washing machine models or hand-wash.

### Application / dose:

According to water hardness 70-250 ml / wash per 5 kg laundry

### Precautions:

Keep out of reach of children.  
Wear protective gloves and eye protection.

### Benefits for the user:

- Highly concentrated
- With a fresh, pleasant scent
- Special fibre protection
- Guarantees longer value preservation

### Restrictions in use:

The application to mucous membranes / conjunctiva of the eyes is absolutely to avoid. Also absolutely avoid contact to the skin.

**Storage conditions:**

Azil can be stored in closed containers at 5-25 °C for at least 24 months.

Keep the container tightly closed. Protect from frost and direct sunlight.

**Legal provisions:**

Azil is subject to the Chemicals Act, the detergents and GHS regulation as well as the transports regulations according to the transport of hazardous or dangerous goods.
